Your thank-you note will be given directly to your doctor

Your doctor will be acknowledged at a special event

Your gift will help provide excellent care

Dear <<First Name>>,

How do you show your appreciation to someone who goes the extra mile for you and your loved ones?

As a supporter of Einstein Healthcare Network, you know what it's like to have a great caregiver. **Every day, Einstein's physicians provide compassionate, lifesaving care.** More than doctors, they often become our friends, our heroes, and even extended members of our families.

Remember when you honored <<Doctor>> for Doctors' Day with a generous gift to Einstein? Our physicians were so moved by your kindness and inspired by your generosity. Your gift not only thanks them for the care they provided to you, but it also has a "pay-it-forward" effect, supporting physicians to help future patients as well.

On March 30, please join me once again in celebrating National Doctors' Day, a time to recognize all physicians who work tirelessly to maintain their patients' good health.

Honoring your physician this Doctors' Day is easy. First, consider sending a donation of \$<<xx>>, \$<<xx>>, or \$<<xx>> to help Einstein remain at the forefront of healthcare. Second, use the enclosed tribute card and envelope to write a personal note of appreciation to your physician. These tributes will be given directly to your physician who, in turn, will be recognized at a special event.

With your generous gift, you can show your doctor that his or her work has changed your life or the life of a loved one. You'll also make a difference in theirs—by reminding them why they do what they do, each and every day.

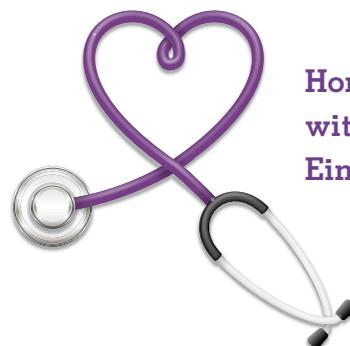

Please send your gift today.

Gratefully yours,

Carol Prushan

Carol Prushan
Vice President & Chief Development Officer
Einstein Healthcare Network

P.S. Did you know you can make a recurring gift? Honor your doctor and show ongoing support to Einstein by selecting the box on your gift slip.

Honor your doctor with a donation to Einstein today.
