Opening the gift of possibilities

SACRAMENTO
STATE

Introducing the new Sac State Fund

Every student makes choices: to make an impact, to forge new connections, to do it their way – to do it at Sacramento State.

Here, students choose their path where what they experience helps them define their place in a world that is moving faster than ever.

At Sac State we strive to remove the barriers that limit the possible, ensuring **potential** is nurtured, **thought** is stimulated, and **curiosity** encouraged.

We're here to teach our students that their challenges are our challenges, and the greater the challenge, the greater the possibility.

Together, we can help **illuminate** their path and give them the gift of a lifetime - **the gift of possibility.**

Our comprehensive reach has one single focus - **students first.**

When you contribute towards your passion, whether a college, department, cause, or student service program, you are providing **opportunity** and making a lasting impact on our students.

Unite your cause with the Sac State Fund.
