Big plans for our smallest patients

IMAGINE

a place built just for them.

White Plains Hospital

White Plains Hospital is creating an innovative hybrid pediatric emergency department and inpatient unit, the first of its kind in New York.

The new Pediatric Center will be a state-of-the-art healing environment, thoughtfully designed with child and family comfort in mind, featuring:

Pediatric Inpatient Rooms
+ State-of-the-art technologies including:
  - Pediatric x-ray machine
  - Bedside ultrasound equipment
+ Sophisticated, child friendly design
+ Family comforts including:
  - Sleeper couches
  - En suite bathroom and shower

Pediatric ER Exam Rooms
+ Designed to be engaging
+ Offer fun diversion activities for our young patients

Pediatric Only Waiting Room
+ Playful elements
+ Comfortable seating

Pediatric Playroom
+ Interactive touchscreen
+ Child-friendly furniture

Pediatric Medical Team
+ All physicians, nurses, and child-life specialists will be uniquely trained in pediatric care.
+ Thanks to our partnership with Montefiore and the Children's Hospital at Montefiore (CHAM), there will be seamless access to pediatric specialists.

WE NEED YOUR HELP TO MAKE THIS CENTER A REALITY!

Your contribution will be a signal to our community that you share our passion and commitment to the health and wellbeing of children in our region.

To make a gift in support of this project, visit us at wphospital.org/pediatrics or call (914) 849-GIVE.
