CARING FOR THE MOST VULNERABLE

Gracie, 4 years old

This past year, we came together to celebrate 40 years of Mustard Seed Communities. For four decades, your love and support has brought care to vulnerable children and adults with disabilities.

One of those children is Gracie. Gracie has Down syndrome and was abandoned by her mother as a baby. Since the day she came to MSC Jamaica, Gracie has captured the hearts of staff and volunteers alike.

Now 4 years old, she just finished her first year of preschool at MSC's Little Angel's Learning Center. Like any other child, she loves to color and play with her classmates. Gracie is responding so well to early education and speech therapy that she will be ready to enter a mainstream elementary school with her peers.

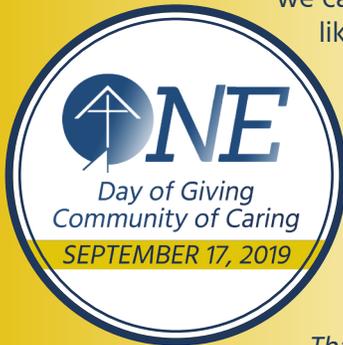

Thanks to your support, her future is filled with possibilities!

We look to that future with faith—faith that our community will continue to grow and provide hope to Gracie and more children and adults like her who have been cast aside. While Mustard Seed has expanded from Jamaica to Nicaragua, Dominican Republic, Zimbabwe, and Malawi, we are all one community united by one mission and one love.

You are part of our community. **Please help make our shared faith a reality by participating in MSC's Giving Day.** As one community, we can continue to transform the lives of children like Gracie, but we can't do it without you.

Thanks to a generous donor, gifts made in support of MSC's Giving Day before the countdown starts on September 17th will be matched dollar for dollar up to \$25,000. Please help us unlock the full match by making your gift today. Your donation will go twice as far to provide food, medicine, therapy, and loving homes to children and adults with disabilities.

Thank you for being part of our community!

P.S. Your gift today will have twice the impact! Return your donation in the enclosed envelope or make your gift online at mustardseed.com/givingday.

*"And we,
though many,
throughout the earth
We are one body in
this one Lord."*

One Day. One Community. One Love.

Inspired by the healing and caring Ministry of Jesus Christ, we aim through the positive interaction of caring, sharing and training, to uplift the most vulnerable members of society, especially disabled and abandoned children, and marginalized communities. We are committed to the fostering of homes and communities, which will lead us all to loving service and mutual respect and which will bring us joy, hope and dignity.
